Integration & Development Tools: SOAP UI, Oracle Data Modeler, SQL Developer, TOAD, WinSCP

Cloud Technologies & Skills: Data Loaders (FBDI), Web Services (SOAP/REST)

Other Skills: Performance Optimization, Technical Documentation, UAT Support, Instance Migration (Non-Prod/Prod),

Licenses & Certifications

- Oracle Database SQL Certified Associate
- Oracle Cloud Infrastructure Certified Application Integration Professional (OIC)
- Oracle Cloud Infrastructure Certified Enterprise Analytics Professional (OAC)
- Oracle Cloud Infrastructure AI Certified Foundations Associate
- Oracle Cloud Data Management Certified Foundations Associate
- Oracle Fusion Cloud Applications SCM Certified Foundations Associate

PROFESSIONAL EXPERIENCE

Accenture Pvt Ltd
Business Architecture Team Lead

19th Dec 2022 – Present

As a Technical Developer (Oracle Fusion)

- Led end-to-end migration activities across Production and Non-Production environments, ensuring smooth deployment and validation.
- Developed over 50 BI Publisher reports for Manufacturing and more than 20 reports covering Order Management, Shipping, and Inventory modules.
- Achieved a 30% reduction in reporting turnaround time by optimizing report logic and improving performance.
- Designed a custom multilingual Packing Slip report using Bursting logic and customized standard reports such as PO-PDF (Purchasing) and Print Component List (Manufacturing).

- Authored detailed technical design documents covering both standard and custom report requirements, aiding development, review, and support processes.
- Acted as a key point of contact for the onsite team, regularly sharing progress updates and assisting team members in resolving technical and functional issues.
- Delivered 20+ additional BI reports for Manufacturing and Inventory, maintaining high accuracy and adherence to business requirements.

As a Mentor / Knowledge Contributor

- Conducted training sessions for new hires covering SQL, PL/SQL, and core Oracle business flows such as Order to Cash and Procure to Pay.

ShipConsole Pvt Ltd

16th Jul 2016 – 16th DEC 2022

Senior Consultant

As a Technical Developer (Oracle EBS & Fusion Cloud)

- Developed and customized BI Publisher, OTBI, XML, and RDF reports in modules like WIP, INV, OM, and PO
- Created PL/SQL packages, procedures, functions, and AOL objects for EBS and Fusion integrations
- Designed and built B2B integrations between Oracle Cloud, EBS, and external systems (e.g., JDE, ShipConsole, Clarcor)
- Developed interfaces that transferred data between Java applications and Oracle ERP systems
- Worked on supplier and requisition automation using HDL, xslm templates, and web services in Oracle Cloud
- Created internal business solutions such as Package Item Mapping and Shipping Enhancements
- Developed Packing Slips, custom burst logic, and conversion programs for seamless shipping operations
- Built interfaces for PO, SO, and shipment data integration with Java or third-party applications
- Supported Oracle Fusion SCM and Procurement modules with technical configuration and integration work

As a Team Lead (Internal Tools & Initiatives)

- Led development of internal tools like Bug Tracker, JD Edwards integration, DSS/My Shipping, LTL Console
- Designed and implemented data pipelines between SQL Server and Oracle Cloud (Bug Tracker project)
- Created custom interfaces and packages for image attachments, sales order enhancements, and audit compliance
- Guided team members on both technical (PL/SQL, BI Publisher) and functional (P2P, O2C) areas
- Monitored task progress, provided daily/weekly updates, and aligned deliverables with business priorities
- Conducted KT sessions, reviewed technical specs, and ensured internal tools met best practice standards

As a Mentor / Knowledge Contributor

- Mentored junior developers in SQL, PL/SQL, OTBI, BI Publisher, and Oracle Cloud modules
- Provided onboarding support and created training material on Oracle application flows (O2C, P2P)
- Shared domain knowledge with peers and supported team development through structured guidance

EDUCATION

Bachelor of Technology - Electronic and Communications Engineering

Aug2012 - May 2016

Vignan Institute of Technology and Sciences, Hyderabad JNTU(H)
